# The Colleyville Heritage Boys Soccer Videos

## What Is It?

A season-long highlight reel of the 2003-2004 Colleyville Heritage High School Boys' Soccer program, covering the entire boys soccer program—JV and Varsity. Hangdog Productions has captured the entire season on exciting live-action video, and set this

to music on a digitally edited DVD that you can purchase to commemorate your student's participation in an exciting year of soccer at CHHS. You'll want extra

copies for grandparents, friends and relatives!

This DVD will be presented as a gift to the graduating senior players in honor of their excellent performance this year.

## What's In It?

Game highlights, goals, headers, exciting transitions...

Practices, warmups, sideline shenanigans...

Senior night, embarrassing baby pictures...

## What Does It Cost?

The 2004 video is available now \$25 for DVD, \$30 for VHS. The 2003 DVD is still available, now at the close-out low cost of \$20 for the DVD, \$25 on VHS.

To get the full experience of these videos (with extras) you will want the DVD—but VHS copies will also be available. The DVD plays on 95% of home video DVD players—satisfaction
